

## DRUGS PRIMARY

- (1) **Organ Tunic**
- (2) **Drugs aren't clever poster**
- (3) **Drugs awareness photopack**
- (4) **Keys to Smoking – Tacade book**
- (5) **Keys to Alcohol – Tacade book**
- (6) **Health risks poster**
- (7) **Facts about smoking poster**
- (8) **Facts about alcohol poster**
- (9) **Tobacco curriculum package (smoking machine)**
- (10) **2 pairs beer goggles**
- (11) **Tobacco Challenge CD rom**
- (12) **Jar of Tar**
- (13) **Healthy and Unhealthy lungs (not pictured)**
- (14) **Lou-wheeze** – smoking related lung damage with this interactive display. Lou-Wheeze has two flexible latex lung models. One represents a healthy lung while the blackened and deformed surface of the other lung depicts the damage done by emphysema and cancer. The attached pump inflates the healthy lung as normal, but the diseased lung "struggles" to expel air. A bellows pump and instructions are included (not pictured)
- (15) **Drug Education – Whiteboard (not pictured)**
